Sponsorship Information Restrictions - The logo may not contain any qualitative or comparative descriptions of the sponsor's products, services, facilities or company. This logo will contain a hyperlink to the your company's website. The company description may contain only the company brand and/or trade names, list of locations, telephone numbers, Internet address, and *value-neutral* description of the sponsor's product line or services. Company descriptions may not include qualitative or comparative language, price information or other indications of savings or value, or an endorsement or other inducement to purchase, sell or use a sponsor's product or services. IPSF reserves final editorial approval of all company descriptions to ensure that they do not constitute advertising as defined in Section 513(i) of the Internal Revenue Code.
